CAMPUS Diamond Valley

PREREQUISITES Certificate IV

PARENT COURSE Certificate IV Shiatsu HLT 40202
Diploma of Shiatsu and Oriental therapies HLT50202

SUBJECT.

Shiatsu therapy can also include Oriental Therapies that compliment bodywork. These include electronic diagnostic systems, laser acupuncture, frequency therapy and auricular acupuncture

LEARNING OUTCOMES

At the satisfactory completion of the subject it is expected that students will be able to:

Provide the following Therapies:

- i. Ryodoraku
- ii. Laser acupuncture
- iii. Frequency therapy
- iv. Auricular acupuncture

To have completed the criteria for the following units of the Australian Quality Training Framework

- i. HLTSHU5A Provide oriental therapies treatment

CONTENT

Ryodoraku therapy will be studied together with laser acupuncture.

Frequency therapy involves audio and percussive frequencies for different meridians to restore correct resonance for each system.

Auricular diagnosis and treatment can expedite the healing of many body systems
